CHINA'S OPIUM.

INCREASED PRODUCTION.

BRITAIN LOSING PRESTIGE.

GENEVA, April 24.
Interviewed with regard to the statement made by Mr. Chao Hsin Chu, Chinese representative on the opium Commission of the League of Nations, that while reports of the Chinese Government commissioners from twelve provinces or parts of provinces confirmed the news that the poppy was again being cultivated to some extent strict orders had been given for the destruction of the crops, when found, Sir John Jordan declared that the reports were futile and omitted the most important provinces. He had evidence that in February last opium in some quarters was being cultivated over a greater area than for many years. He estimated the present production at 25 or 30 per cent. of the production in 1907 and described the policy of the Indian Government in continuing to send opium to Hongkong and elsewhere as very unsatisfactory. The Chinese argued that if India and other countries were supplying Chinese abroad with opium why should they not grow it for Chinese at home. British communities in the East held the opinion that the prestige of Britain was being very seriously injured by this action.

INDIAN TROOPS DISMISSED

TROUBLE OVER WAGES.

HYDERABAD, April 24.
There has been a serious case of insubordination among the Indian troops here. The 1st Imperial Service Lancers dissatisfied with their pay refused to don their uniforms. The Nizam ordered all men refusing duty to be dismissed. The order was being carried out when 100 men of the 2nd Lancers refused to attend the muster roll. Consequently 55 of the 1st Lancers and over a hundred of the 2nd Lancers have been dismissed. The attitude of the men is entirely non-violent. Both regiments have good war records.

RUSSIAN DEBTS

BA' GAIN WITH SOVIETS.

GENOA, April 24.
On the resumption of the Genoa Conference the expert committee dealing with Russian debts submitted a document stating that in the event of the Powers granting adequate credits and agreeing to the *de jure* recognition of them, the Soviets would request the complete suppression of the war debts moratorium in respect of interest due to creditors.

PEKING SCANDAL

MURDER CHARGE.

ROME, April 24.
The Marchesa Durazzo, wife of the Italian Minister to China, who is alleged to have attempted to murder a rival in the Peking Hotel, has left the nursing home in which she has been detained since she returned from China and has been taken in a closed motor car to an unknown destination, probably Ancona where she will shortly be tried by court of assizes sitting in camera.

KING OF SWEDEN

LONDON, April 24.
Mr. Joseph B. Shaddy, the European Manager of the United States Shipping Board has arrived at Plymouth from New York where he has been conferring with the Board. GENOA HOPES

SUNSHINE AFTER RAIN.

BRITISH SATISFIED.

GENOA, April 24.
The No. 1 commission has resumed its labours. The atmosphere of the conference generally to-day was described as sunshine after rain. The British delegates regard the position as more satisfactory. The results already achieved include practical completion of the labours of the financial and transport commissions, while the economic commission has also made good progress.

FRANCE'S UNCOMPROMISING STAND.

BAR LE DUC April 24.

M. Poincare, addressing the League Council General, said that France would only remain at Genoa on condition that she was not called upon to make concessions either to Germany or Soviet Russia. It was indispensable that the Allies retain control of Germany's armaments. When Germany was completely disarmed France would gladly follow suit. He concluded that whatever occurred at Genoa the new situation resulting from the Russo-German treaty was one of the most formidable since the armistice and must be examined in conjunction with the Allies. France was determined to preserve everything gained under the Treaty of Versailles.

BIRKENHEAD'S CONTRIBUTION.

GENOA, April 24.

Lord Birkenhead in a speech dealing with the broad aspect of the conference warmly denounced "those who never gave the conference a fair chance." He was confident that harmonious conclusions could be obtained. If not, the failure of the conference would result in one of the blackest moments since the middle ages.

LONDON, April 24.

In accordance with the Labour Party's proclamation for a 24-hour general strike as a protest against militarism, business has been suspended in 26 counties in Ireland. Business is being carried on in Ulster but is being hampered by cessation of communications with the Free State. The isolation of Ireland as regards the United Kingdom is complete.

STRAITS GOVERNOR'S TRIP HOME.

[CHINA MAIL SPECIAL.]

SINGAPORE, April 25.
The Governor is leaving for home on Friday. He returns in October.

STOCK EXCHANGES

GOVERNMENT ATTITUDE.

INTERESTING ANECDOTE.

Hongkong has two Chinese stock exchange companies. They claim that immediate closing would involve serious loss to the shareholders and offer to give a guarantee that they will continue their operations to public stock. They declare they will undertake not to deal in foodstuffs and other vital commodities.

The Government is opposed to speculative exchanges and will take legislation to suppress them. It favours one general stock exchange in the Colony for both Europeans and Chinese.

A letter from the Colonial Secretary making this known was one of the items on the agenda for the monthly meeting of the committee of the Chinese Chamber of Commerce this afternoon.

Another item was the bulletin report for the month. Chinese are allowed to take out of the Colony only \$30 in subsidiary coin. The Government is now prepared to increase this sum to \$50.

A letter from the Harbour Master informed the Chamber that when typhoon signals are hoisted they have to go to shelter and not affect wages.

settlements because these signals, according to the movement of typhoons outside only concern ocean-going vessels. A letter from the Hongkong General Chamber of Commerce invited the Chinese Chamber to send delegates to a conference to settle the wages disputes with the tallymen and cargo handlers.

A letter from the Governor of Kanun appealed for relief for the drought sufferers in that province. The Cargo Club's Union wrote asking the Chamber to assist in getting their contracts from the shipowners direct instead of through middlemen.

A letter was received from the Chinese Chamber of Commerce at Saigon informing Hongkong merchants that an international league has been formed between French and Chinese merchants at Saigon and seeking the Hongkong Chamber's cooperation.

MISS WITA SHIELD AND MR. WILL HENDER LEAVING.

Hongkong's loss is Shanghai's gain. This gifted couple have left Shanghai on May 4. Four times more only may we enjoy the extra punch and snap they add to our social gaiety—then they're off. Well, they've certainly been a great success. H.R.H. the Prince of Wales personally congratulated them, and spoke about them eulogistically to several of his dancing partners.

Miss Rita Shield is so dainty, so refined, so chic, that she leaves torn hearts behind. Her singing is of the highest class, her costumes most artistic—but there is something more than artistic skill and training to explain her charm. She has personality. She is (as Margot Asquith might say) a Soul.

Will Hender is peculiarly musical, inasmuch as he just juggles with tempo and never once makes a slip. As an orchestra conductor he is embodied inspiration, introducing the syncopation and snap which mean so much, without depending, as lesser breeds do, on the noisy noises of jazz. He makes jazz palatable.

LOCAL FILMS.

COLONY'S LATEST SIGN OF PROGRESS.

Hongkong grows apace. Every day new signs of its progress appear. The latest is a cinema photographer engaged by Hongkong Amusement Ltd. to film every local event of note. So excitement added to our placid lives. One now never knows when one's friends will appear before one on the screen; one now never knows when oneself will.

The first of this series of local films for local people will be shown at the Coronet Theatre this evening when last Saturday's Victoria Recreation Club regatta will be screened. It is an excellent picture.

MOTORIST FINED.

RECKLESS DRIVING CHARGE.

Before Magistrate Lindell this morning, Mr. Lo Shun Wan was summoned for having driven motor car No. 13 in a reckless manner, and for failing to stand his driver when entering Hill Road from Des Voeux Road West.

Sergeant Hallam said that the road was congested at the time, and pedestrians had to wait in all directions. The defendant, who said that he had driven car No. 13 and had never before been summoned, maintained that he did not make the corner at more than 10 miles per hour. As he approached the corner, he saw a Chinese constable on point duty and he sounded his horn. The constable motioned to him to proceed and then he took the corner. He admitted that he did not sound his horn when entering Hill Road because both his hands were engaged at the wheel at the time. When signalled to by Sergeant Hallam, he pulled up in front of him.

Mr. M. K. Lo, for the defence, pointed out to the Magistrate that the only point Sergeant Hallam had raised with regard to reckless driving was that pedestrians were scattered. He submitted that however slow a car was going, it would have to scatter people who would not keep to the pavement. With regard to the horn, he said that his client had sounded the horn before making the corner, and surely if the Chinese constable had not thought that the road was clear for him, he would not have signalled to the defendant to come on. Mr. Lo also said that his client was going to Kam Ling Hotel which was just inside Hill Road, and surely he would not drive into the road at 20 miles an hour just for the luxury of putting on the breaks as he approached the hotel.

The Magistrate found both charges proved, and Inspector Garrod having reported the defendant's record as clear, imposed a fine of \$15 for reckless driving and \$5 for not sounding the horn.

LAWLESS YAUMATI.

Geography and compass bearings apart, Yaumati is our East End. Criminals favour it. Policemen work hard at there. To arrest a man there is unpopular. Lawless crowds try to rescue. Argyle and Shanghai streets are the core of this criminal world.

Trying to keep back the crowd at the M.B.K. coal-beds fire, an Indian constable was assaulted. He provoked a youth before Mr. Lindell this morning, and got him six weeks' hard.

The alleged ringleader of a crowd which rescued a prisoner at the same centre when the police had to threaten with revolvers—was dismissed on the ground of insufficient evidence.

ILLICIT OPIUM.

NINE MONTHS' HARD LABOUR FOR YOUTH.

Before Magistrate Lindell this morning a Chinese youth was sentenced to nine months' imprisonment with hard labour for the unlawful possession of 55 taels of prepared non-Government opium and 34 taels of raw opium in Jordan Road, Kowloon, yesterday afternoon. The drug was found tied round his waist.

Another Chinese was charged with the unlawful possession of 135 lbs of illicit raw opium worth \$4,410, seized by revenue officers on board the s.s. "Taikwai Maru" yesterday morning, hidden among a quantity of camphor. M. A. E. Hall appeared for the defence and asked for a remand with bail, and this the Magistrate granted until tomorrow morning, fixing bail in the sum of \$10,000.

HONGKONG'S HEALTH.

LAST WEEK'S SEVENTY-SEVEN PLAGUE CASES.

No fewer than 77 cases of plague (59 fatal) and 51 Chinese were reported last week. During the 48 hours ended yesterday 26 more (14 fatal) were reported, all Chinese.

One fatal case of enteric fever, Chinese, and one of paratyphoid fever, British, completed yesterday's return of notifiable disease.

Last week the small pox cases numbered 20 (14 fatal)—all Chinese. There were two deaths from influenza, one from cerebro-spinal fever, and one from diphtheria, also all Chinese. One non-fatal case of cerebro-spinal fever, Chinese, one of diphtheria, British, and one of enteric fever, Chinese, completed the list.

BURIED ALIVE.

ONE MAN KILLED AND ANOTHER INJURED.

A land slide occurred in Shaukiwan yesterday afternoon, resulting in the death of one Chinese and injuries to another. The men were engaged digging earth on the hillside in Shaukiwan East in connection with the reclamation work there, when several tons of earth and a couple of large boulders suddenly came down, burying them both. A rescue party formed by other workmen immediately started digging operations, and after about five minutes' feverish work extricated one of the men who was under a couple of feet of earth. Badly injured, but still alive, he was promptly sent to the hospital in the motor ambulance when the police arrived a couple of minutes later. The police and workmen had two hours' strenuous work before they came upon the dead body of the other man, who was crushed between the two boulders and must have been killed instantaneously. The body was taken to the mortuary.

SHIP'S OFFICER'S DEATH.

On April 19 the body of a foreigner was observed floating on the river, at Shanghai and on being brought to land was identified as that of Alexander MacKinnon, chief officer of the C.N.S. "Chuan sen," who had been missing since the night of April 9.

The circumstances attending the disappearance of Mr. MacKinnon are not particularly clear, says the N.C. Daily News. He was last seen on the evening of the day mentioned aboard his ship, and he left with the remark that he was going ashore to dine with a friend. Since then nothing had been seen of him until his dead body was recovered floating past the River Police hulk.

Later in the day an inquest was opened by Mr. G. W. King, H.M. Coroner, and evidence of identification heard. This was given by a friend of the deceased, an officer on another local steamer, who, while unable to swear to the body, identified articles found upon it. These included a finger ring, a silver cigarette case with an inscription to the effect that it had been presented by Chinese in Bangkok on 1/6/21, and a gold wrist watch which last stopped at 7.15. There was also \$17.25 in money.

A further evidence of identification in the Coroner's court was the request for a week.

Receiving no reply within a specified period to their demands for an increase of pay and improved working conditions, over one thousand Chinese carpenters in Hongkong went on strike on Saturday.

LOCAL AND GENERAL.

Educated women in Kwangsi province are reported to have organized a league.

Facing a forced marriage with a man she did not love, a young Canton woman drowned herself in the river.

This afternoon's meeting of the Chinese Chamber of Commerce Committee received a letter from Mr. He Kom Tong resigning his seat as he is going abroad.

According to the Canton Times, a "rental Portuguese" is accused by the Salt Commission of attempting to import into Hengshen 50 tons of illicit salt from Hon. Lo g.

The Royal Hongkong Golf Club advertises that special caddies will be available at Fanling on Sunday next. A notice relating to tiffin at Deep Water Bay also appears in this issue.

The total output of the Kailan Mining Administration's mines for the week ending April 8, 1922, amounted to 93,673 tons, and the sales during the period, to 61,975 tons.

Driver of car No. 181 was fined five dollars this morning for speeding at Aberdeen in the control area. Mr. Timson, for the defence, quizzed D. S. P. King, the prosecutor, about his own performances, mentioning the Bertie Lammet case. "But he got no change."

An Indian watchman employed on board the s.s. "Uji Maru" was yesterday afternoon taken to hospital with stab wounds in the head and left hand, alleged to have been inflicted by another Indian in the course of a quarrel in Canton Road Kowloon. The other man is in police custody.

LAWN TENNIS.

CHAMPIONSHIP DOUBLES.

LO BROTHERS BEATEN.

A very close and exciting game, the result of which was in doubt up to the last stroke, was witnessed by a large crowd on the H.K.C.C. stand court yesterday afternoon. The match was the second semi-final fixture in the open Championship Doubles of the tennis tournament, and the opposing pairs were Wong Fook-keung and V. Yvanovich versus the Lo Brothers.

Both pairs play excellent tennis and are well known locally for their prowess with the racquet. The Lo brothers were the Doubles Champions of the Colony in 1920, while Wong and Yvanovich were the finalists in the tournament last year, when they were beaten by the Hancock brothers.

Yesterday's match was a ding-dong struggle from start to finish with both pairs taking momentary advantage alternately. There were some very exciting exchanges, but there were also some occasional dull spells when one pair would rally and play the others almost to a standstill. Although the struggle was keen, love games were registered very frequently.

Wong and Yvanovich opened the match in fine form and took the first two sets both for 6-4. The Lo brothers rallied in the third, and running away from their opponents, won without any opposition, by 6-1. The next set proved to be the last. Wong and Yvanovich scored freely and took three games in succession for love before the Lo brothers were able to score. The Lo brothers lost after a keen struggle by 6-3. Very great excitement prevailed in this set. With their opponents wanting only two more games to win the match, the Lo brothers made a stubborn fight. They took the next three games straight off the reel, and with only one game separating the pairs, the spectators settled down to a protracted struggle. Some excellent rallies were witnessed, M. K. Lo and Yvanovich being well to the fore on either side of the net. A stirring tussle took place which finally went to "M.K." who smothered the little Portuguese with a smash across court. M.W. Lo came to the fore in the seventh game and took it with a lightning smash between Wong and Yvanovich which made the pair look surprised. Wong and Yvanovich took the upper hand in the next two games, and won them both, the last point resulting from the ball grazing the top of the net and falling into the Lo brothers' court beating them both to the wide.

The final scores were: Wong and Yvanovich, 6-4, 6-4, 1-6, 6-3. It was a very near thing for the winners who qualified for the final against Ng Eze-kwong and W. Lock-wei by the narrow margin of two games (19-17). Only one other match was played yesterday, resulting as follows:—

Handicap Doubles.—Semi-Final: A. Brearley and H. E. Smith (12, 6) beat R. M. Smith and F. A. Dinale (owe 1, 6), 6-2, 6-1.

POLO.

LOCAL TEAM VISITS MANILA.

The Manila Polo Club has invited Hongkong to send a team to play there. The Hongkong Polo Club has accepted the challenge, and a team sailed for the American port yesterday by the s.s. "Keystone State." The team is a strong one, and it should give the Americans a fine game. It is composed as follows: W. H. S. Dent (1), J. E. B. Bibby (2), Major General Sir John Fowler (3) and Captain Neville (back). Captain Fisher accompanied the team as reserve.

An American team captained by Governor-General Forbes played here in August last when they were defeated by 5 goals to nil. They have been waiting for revenge ever since. They are confident of victory at home, but the Hongkong men can be relied upon to give them a run for their money.

A long programme has been arranged at Manila, and a series of matches will take place between teams representing all Polo organizations in and around Manila.

The Hongkong team will be away for about two weeks, returning to Hongkong by the "Empress of Asia." H.E. Sir John Fowler is accompanied by Lady Fowler.

BILLIARDS.

The billiards match arranged between L. Fraser, of Singapore, and L.J. Galley of H. M. S. "Hawkins," for \$150, was played off yesterday. Those who were present witnessed a very close and interesting game. Galley lost by the narrow margin of 4 points. Scores: Fraser 500; Galley 498. Fraser's best breaks were 42 and 31, and Galley's 36 and 29.

PALACE HOTEL HANDICAP.
Playing at the Palace Hotel last night, J. Fraser (—125) beat P. Hoffman (—125) by 250-160. Fraser's best efforts were 21, 16, 10. Hoffman got only a 14.

To-night's matches are:
6 p.m.—F. Dallow (—75) v. P. Lannon (—50).
9 p.m.—W. G. Gerrard (—100) v. I. L. Goldenberg (scr.).

NEW FOG SIGNAL.

DIAPHONE FOR WAGLAN.

The new diaphone fog signal, which is to replace the present detonator system at Waglan was tested at the Government Workshop, at Wanchai, yesterday under the supervision of Mr. A. W. J. Simmons, Overseer of the P.W.D. It is estimated that, subject to variations in atmospheric density, it will have a range of ten miles.

The two oil engines which run the diaphone are fitted with 16 inch pulleys giving a compressor displacement of 45 cubic feet per minute. Allowing for compressor efficiency and a margin for wear and tear, this would give on the diaphone a continuous blast of two and a half seconds every minute. Twenty-inch pulleys can be brought into use and these will give a continuous blast every minute or three and a half seconds. The timing gear is fitted with three step cone pulleys which gives it greater flexibility in adjustment.

Yesterday's tests were regarded as thoroughly satisfactory and the diaphone will be installed within the next six weeks at Waglan where a special brick building with solid concrete foundations has been erected to house it. If it works satisfactorily at Waglan another set will probably be installed at Gap Rock.

JAPAN-CHINA TRADE.

IMPROVEMENT RECORDED.

A fair improvement is noted in the official report on the March Japan-China trade. Gains are registered both by exports from Japan and imports from China. The favourable balance of the month stands above the corresponding month, 1921.

The value of Japan's exports to China in March amounted to Y27,423,000, being an increase of Y4,676,000 on the corresponding month, 1921. The increase is general. Especially in the figures for Manchuria and North China are the gains notable. Below the export trade is summarized:

	March, 1922	March, 1921
Exported to	Y.	Y.
Manchuria	5,830,000	2,875,000
North China	10,130,000	6,736,000
Central China	14,293,000	13,083,000
South China	165,000	53,000

Total 27,423,000 22,747,000
The March imports from China amounted to Y11,833,000 an increase of Y1,322,000 over the corresponding month last year. This increase was not general, however. Imports from Central China decreased. Imports from Manchuria were almost stationary. The import trade summary is given below.

	March, 1922	March, 1921
Imported from	Y.	Y.
Manchuria	499,000	498,000
North China	5,948,000	4,466,000
Central China	4,808,000	5,323,000
South China	578,000	244,000

Total 11,833,000 10,611,000
The balance of trade was in favour of Japan having reached Y15,590,000, against Y12,236,000 in the same month last year. The first quarter's cumulative result of export trade was Y68,344,000, against Y70,694,000 in the same period last year, but the import trade for the quarter reached Y35,435,000, against Y32,285,000 in the same period last year.

"A PERFECT CRIME."

CORONET THEATRE'S AMUSING PICTURE.

Surprise is the keynote of this evening's Coronet Theatre attraction, "A Perfect Crime," an Associated Producers' film based on a popular Saturday Evening Post story. A spiritless young bank messenger, suddenly revolting against the manager's ceaseless bullying, causes the first surprise by a bold decision to rob the bank. After this he provides a whole series of surprises. He skillfully establishes another identity as a supposedly wealthy sportsman in order to have an alibi. In the one identity he becomes a social lion; in the other he is blamed for the theft of \$150,000 from the bank. His strategy outwits the police and leaves him free to spring the biggest surprise of the story. "A Perfect Crime" is one of the few pictures that can strictly claim the title of comedy-drama, for it is both amusing and serious in turn.

On the night of Monday, April 19 about 10 o'clock, Mr. Eric Sellers of Kobe shot himself through the head, killing himself instantly, reports the Japan Chronicle. Mr. Sellers, who had been a ship's officer in the service of the British India and other lines had made several trips to Japan and about six months ago decided to give up the sea, partly owing to an accident with a ship which set him back somewhat in his professional career. He married a Japanese woman and was living at Kamitsutenden, a friend sharing the house. On Monday they were dining with some neighbours, when Mr. Sellers went back to his own house for some purpose, and straightway shot himself with a revolver which lay on his dressing-table.
